#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Santa Rosa County School Readiness Coalition, Inc. Milton. Florida

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of Santa Rosa County School Readiness Coalition, Inc. d/b/a Early Learning Coalition of Santa Rosa County(a nonprofit organization), which comprise the statement of financial position as of June 30, 2024, the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Santa Rosa County School Readiness Coalition, Inc. as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Santa Rosa County School Readiness Coalition, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Santa Rosa County School Readiness Coalition, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material

### Auditor's Responsibilities for the Audit of the Financial Statements (continued)

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, and design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of Santa Rosa County School Readiness Coalition, Inc's internal control. Accordingly, no
  such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about Santa Rosa County School Readiness Coalition, Inc.'s ability to continue as
  a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and State of Florida Chapter 10.650, Rules of the Auditor General, and special audit guidance provided by the Division of Early Learning, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Report on Summarized Comparative Information**

We have previously audited Santa Rosa County School Readiness Coalition, Inc.'s financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 23, 2025. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

### Other Reporting Required by Government Auditing Standards

DRAFT

In accordance with *Government Auditing Standards*, we have also issued our report dated January 23, 2025 on our consideration of Santa Rosa County School Readiness Coalition, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Santa Rosa County School Readiness Coalition, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Santa Rosa County School Readiness Coalition, Inc.'s internal control over financial reporting and compliance.

## DRAFT 1/16/2025

### **NOTES TO FINANCIAL STATEMENTS**

June 30, 2024

#### **NOTE A - NATURE OF ORGANIZATION**

The Santa Rosa County School Readiness Coalition, Inc., d/b/a Early Learning Coalition of Santa Rosa County (the "Coalition"), is a not-for-profit organization incorporated in the State of Florida in 1999 as a result of the implementation of the School Readiness Act, Chapter 411 Florida Statutes. Its primary purpose is to provide a program to prepare pre-school children in Santa Rosa County, Florida to enter kindergarten ready to learn. The Coalition is required to implement a comprehensive program of readiness services that enhance the cognitive, social, and physical development of children to achieve performance standards and outcome measures specified by the State.

The majority of the revenues are received from federal and state sources through State of Florida's Division of Early Learning ("DEL"). Other revenues are through local sources.

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### 1. Basis of presentation

The accompanying financial statements and accompanying schedules have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Coalition reports information regarding its financial position and activities according to two classes of net assets as follows:

#### Net Assets Without Donor Restrictions

Net assets without donor restrictions are available for use at the discretion of the Board of Directors ("Board") and/or management for general operating purposes. From time to time the Board designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion.

#### Net Assets With Donor Restrictions

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed restrictions, time and/or purpose restrictions.

The Coalition reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the statements of activities and changes in net assets as net assets released from restrictions.

Some net assets with donor restrictions may include a stipulation that assets provided be maintained permanently (perpetual in nature) while permitting the Coalition to expend the income generated by the assets in accordance with the provisions of additional donor imposed stipulations or a Board approved spending policy. As of June 30, 2024 and 2023 there were no net assets with donor restrictions.

### NOTES TO FINANCIAL STATEMENTS

June 30, 2024

### NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### 2. Comparative information

The financial statements include certain prior-year summarized information in total but not by net asset class or function. Such information does not constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Coalition's financial statements for the year ended June 30, 2023 from which the summarized information was derived.

### 3. Cash and cash equivalents

For purposes of the statements of cash flows, the Coalition considers all unrestricted, checking, saving, and money market accounts and all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

### 4. Functional allocation of expenses

The cost of program and supporting services activities have been summarized on a functional basis in the statements of activities and changes in net assets. The statement of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Administration and General: This designation includes the functions necessary to maintain the Coalition's programs and activities; to provide coordination and articulation of the Coalition's program strategy through oversight of an executive director; to secure the proper administrative functioning of the Board; and to manage the financial and budgetary responsibilities of the Coalition.

Programs Services: The following programs are included in the accompanying financial statements:

School Readiness – This program provides for early education and care for children of families with limited incomes and enables parents to gain and/or sustain their economic self-sufficiency through maintenance of employment or participation in job skill/vocational training leading to employment. The program provides for the needs of children from low income families that are working, children from families that are transitioning from welfare to self-sufficiency, and children that are under protective supervision or in foster care placement. Program participants have access to health, developmental, educational screenings and other support services. Caregivers are held accountable for providing safe learning environments that nurture and cultivate the child's cognitive, language, motor, social, and self-help skills. All services are provided in accordance with the Santa Rosa County School Readiness Plan and state and federal laws and regulations.

### NOTES TO FINANCIAL STATEMENTS

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### 4. Functional allocation of expenses (continued)

American Rescue Plan Act – Program provides direct assistance to eligible childcare providers to support their financial stability and offset unexpected costs associated with the COVID-19 pandemic.

Voluntary Pre-Kindergarten – This program consists of state mandated dollars used to support a voluntary pre-kindergarten program for all four-year-old children. Funding is based on a base student allocation per full-time equivalent student in the Voluntary Pre-Kindergarten Education program and is determined at the state level.

#### 5. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### 6. Grants receivable

Grants receivable consists of grants due from federal and state governmental agencies and are recorded when services are provided. The grants receivable as of June 30, 2024 and 2023 are due in less than one year and management believes they are fully collectible.

#### 7. Credit risk

Financial instruments, which potentially expose the Coalition to concentrations of credit risk, consist principally of cash bank deposits. The Coalition's policy is to place its cash investments in accounts with high quality financial institutions which are Federal Deposit Insurance Corporation insured, which provide coverage on balances up to \$250,000 per depositor per institution.

The Coalition maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Coalition has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents. The Coalition acknowledges that balances over the insured amount are subject to risk.

#### 8. Revenue recognition

The Coalition follows Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (ASC 606), which outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied, and ASU 2018-08, Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (ASC 958-605), which clarifies how transactions should be accounted for as contributions (nonreciprocal transactions) or exchange transactions and whether a contribution is conditional.

## DRAFT 1/16/2025

### NOTES TO FINANCIAL STATEMENTS

June 30, 2024

### NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### 8. Revenue recognition (continued)

Revenue from government grants is recorded when earned, which is generally when the allowable costs of the specific grant provisions have been incurred or the performance of services rendered. Such revenue is subject to audit by the grantor and, if the examination results in a deficiency of allowable expenses, the Coalition will be required to refund any deficiencies. Management is of the opinion that all monies recognized as revenue have been earned as of June 30, 2024 and 2023. These amounts are reflected as revenue without donor restrictions if received and expended in the same year.

Revenue from program fees are recognized when the earnings process is substantially complete and goods have been delivered or services performed. Revenues from program fees are recognized in the year to which they relate. As part of the Voluntary Pre-Kindergarten grants, the Coalition receives advances on revenue which are to be repaid to the state.

### 9. Property and equipment

The Coalition's policy is to capitalize property and equipment with a cost in excess of \$5,000 and a useful life greater than one year. Depreciation is provided on a straight-line basis over the estimated useful life of five years.

Property acquired with governmental funds is considered to be owned by the Coalition while used in the program for which it was purchased or in future authorized programs; however, its disposition as well as the ownership of any proceeds from the sale of assets therefore is subject to applicable regulations. As of June 30, 2024 and 2023, the Coalition did not have any property and equipment and did not report any depreciation expense.

### 10. Income taxes

The Coalition is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code; therefore, no income tax provision is required in the accompanying financial statements. The Coalition is not classified as a private foundation. Contributions to the Coalition are qualified as deductions for charitable contributions.

Management has analyzed the Coalition's various federal and state filing positions and believes that its income tax filing positions and deductions are well documented and supported, and no accruals for tax liabilities are necessary. Therefore, no reserves for uncertain income tax positions have been recorded.

### 11. Leases

The Coalition determines if an arrangement is or includes a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. Under ASU 2016-02, *Topic 842 Leases*, (Topic 842), a contract is or contains a lease when: (i) explicitly or implicitly identified assets have been

### 11. Leases (Continued)

deployed in the contract and (ii) the customer obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Coalition also considers whether its service arrangements include the right to control the use of an asset.

Practical expedients and policy elections are available under the new guidance. The Coalition elected the package of practical expedients permitted under the transition guidance, which among other things, did not require reassessment of whether contracts entered into prior to adoption are or contain a lease, and allowed carry forward of the historical lease classification for existing leases.

The Coalition has elected to apply the short-term lease exception to all leases with a term of one year or less. For all other leases, the Coalition recognizes ROU asset and lease liabilities based on the present value of lease payments over the lease term at the commencement date of the lease (or July 1, 2022, for existing leases upon the adoption of Topic 842). The Coalition has also elected. The Coalition has also elected to use the risk-free discount rate for its leases. The risk-free discount rates were obtained using U.S. Treasury securities as posted on the Federal Reserve website.

Future lease payments may include fixed rent escalation clauses or payments that depend on an index (such as the consumer price index).

The Coalition's leases include a non-lease component representing additional services transferred to the Coalition, such as common area maintenance for real estate. The Coalition made an accounting policy election to account for each separate lease component and the non-lease components associated with that lease component as a single lease component. Non-lease components that are variable in nature are recorded in variable lease expense in the period incurred.

### 12. Contributed non-financial assets

Donated services, materials, and facilities that are measurable are recorded as support at their fair market values at the date of receipt by the Coalition. A corresponding amount is recorded as expense or property and equipment. Donated materials (books) and services totaled \$0 and \$3,500 for the year ended June 30, 2024, respectively. ### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### 14. <u>Implemented accounting pronouncements</u>

In February 2016, the FASB issued ASU 2016-02, *Topic 842 Leases*, (Topic 842) that requires lessees to put most leases on their balance sheets and recognize expenses on their income statements in a manner similar to today's capital lease accounting. The guidance also eliminates today's real estate specific provisions for all entities. For lessors, the guidance modifies the classification criteria for accounting for sales-type and direct financing leases. The Coalition adopted the lease standard effective July 1, 2022 as disclosed in Note F.

Effective January 1, 2023, the Coalition adopted FASB ASU 2016-13, *Financial Instruments* – *Credit Losses* (Topic 326): Measurement of Credit Losses on Financial Instruments, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The Coalition adopted this new guidance as of July 1, 2023 utilizing the modified retrospective transition method. The adoption of this Standard did not have a material impact on the Coalition's financial statements.

### 15. Reclassification

Certain reclassifications have been made to prior yar amounts to conform to eh current year presentation.

### 16. Subsequent events

Management has evaluated the effect subsequent events would have on the financial statements through the date of these financial statements were available to be issued on January 23, 2025.

### NOTES TO FINANCIAL STATEMENTS

#### **NOTE C - CONCENTRATIONS**

### 1. Economic dependency

The Coalition received substantially all of its revenue from federal and state contracts during the years ended June 30, 2024 and 2023. The continuance of state and federal funding is subject to annual legislative budgetary review.

### 2. Concentration of credit risk

The activities of the Coalition are conducted in Santa Rosa County, Florida and are supported by funding provided by government agencies. Expenditures incurred by the Coalition associated with the execution of various grants are subject to audit and possible disallowance by the grantor agency. The Coalition would be held responsible for recovery (reimbursement to the grantor agency) of disallowed amounts. Management believes that if audited, any adjustment for disallowed expenses would be immaterial in amount.

#### **NOTE D – RETIREMENT PLAN**

The Coalition established on August 1, 2009 a tax deferred retirement plan effective for all qualifying employees. All regular full time employees are eligible to participate in the plan. The plan includes a 401(k) match fund for participating employees in an amount at the discretion of the Coalition and are determined on an annual basis. Matching contributions vest over a 6-year period. Matching contributions for the plan for the years ended June 30, 2024 and 2023 was \$15,525 and \$14,231, respectively.

#### NOTE E - COMMITMENTS AND CONTINGENCIES

- 1. On June 30, 2024, the Coalition entered into a funding agreement with DEL for the fiscal year ending June 30, 2025. DEL awarded the Coalition \$6,942,717 to be expended for school readiness programs and services as described in the Coalition's School Readiness Plan. The Coalition's School Readiness Plan provides for a comprehensive program of readiness services that enhance the cognitive, social, physical development of children to achieve the performance standards and outcome measures as specified by DEL. DEL also awarded the Coalition \$3,251,375 for the Voluntary Pre-Kindergarten program.
- 2. The Coalition leases its office spaces under operating leases. These leases are the only leases required to be included on the statement of financial position under Topic 842.

As of June 30, 2024 and 2023, the right-of-use (ROU) asset had a balance of \$92,697 and \$107,382, respectively, as shown in the statements of financial position; the lease liability is included in current liabilities (\$86,719) and (\$81,576) and long-term liabilities (\$10,917) and (\$97,636), respectively. The lease asset and liability were calculated utilizing the risk-free weighted-average discount rate (4.46%), according to the Coalition's elected policy.

**SUPPLEMENTAL INFORMATION** 

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Santa Rosa County School Readiness Coalition, Inc. Milton. Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Santa Rosa County School Readiness Coalition, Inc., d/b/a Early Learning Coalition of Santa Rosa County (the "Coalition") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and the changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 23, 2025.

### Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Coalition's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Coalition's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND STATE OF FLORIDA CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

To the Board of Directors of Santa Rosa County School Readiness Coalition, Inc. Milton, Florida

### Report on Compliance for Each Major Federal Program and State Project

### Opinion on Each Major Federal Program and State Project

We have audited Santa Rosa County School Readiness Coalition, Inc. d/b/a Early Learning Coalition of Santa Rosa County's (the "Coalition") compliance with the types of compliance requirements identified in the *OMB Compliance Supplement* and the requirements described in the Department of Financial Services' State Projects Compliance Supplement, and special audit guidance provided by the Division of Early Learning that could have a direct and material effect on each of the Coalition's major federal programs and state projects for the year ended June 30, 2024. The Coalition's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Coalition complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs or state projects for the year ended June 30, 2024.

### Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) *and Chapter 10.650, Rules of the Auditor General of the State of Florida* (Chapter 10.650) and special audit guidance provided by the Division of Early Learning. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Coalition and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Coalition's compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Coalition's federal programs and state projects.

### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Coalition's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650 will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Coalition's compliance with the requirements of each major federal program and state project, as a whole.

### Auditor's Responsibilities for the Audit of Compliance (continued)

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650 we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit
  procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the
  Coalition's compliance with the compliance requirements referred to above and performing such other procedures as we
  considered necessary in the circumstances.
- Obtain an understanding of the Coalition's internal control over compliance relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances and to test and report on internal control over compliance in
  accordance with the Uniform Guidance, Chapter 10.650 and special audit guidance provided by the Division of Early
  Learning but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control over
  compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### **Report on Internal Control Over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance, Chapter 10.650, and special audit guidance provided by the Division of Early Learning. Accordingly, this report is not suitable for any other purpose.

**Criteria:** In accordance with the grant agreement and Division of Early Learning (DEL) Program Guidance 240.21, *COVID-19 Crisis*, the Coalition is required to perform sampling and monitoring of service providers who receive subgrants under the American Recovery Plan Act (ARPA). Sampling and monitoring are to be completed on a quarterly basis using DEL provided sampling guidance.

**Condition:** The Coalition did not timely complete the sampling and monitoring of providers for the third and fourth quarters as required by DEL.

**Cause:** Sampling and monitoring of the providers was delayed due to personnel turnover at the Coalition.

**Effect:** The Coalition did not meet grant agreement and DEL Program Guidance requirements related to ARPA subgrant funding.

**Recommendation:** We recommend the Coalition establish procedures to allocate resources to ensure that compliance with monitoring requirements is performed timely.

**Resolution:** Resolved. The Coalition completed monitoring reports in a timely manner in fiscal year 2024.

## 3.05 PRIVATE AND PUBLIC SCHOOL PRE-KINDERGARTEN READINESS RATE

### **PURPOSE**

Comply with Florida Statute requiring the Coalition to identify low-performing providers and provide follow-up guidance and assistance.

### **POLICY**

The Coalition monitors Kindergarten Readiness Rates to assist low-performing providers.

### APPLICABILITY

**VPK Providers** 

### **RESPONSIBILTY**

**Early Learning Programs Department** 

### **PROCEDURE**

- 1. The Florida Department of Education/State Board of Education calculates a kindergarten readiness rate every year for each private or public school VPK providers for either the school year (540-hour) or summer (300-hour) program.
- 2. The VPK Provider Kindergarten Readiness Rate measures how well a VPK provider prepares four year olds to be ready for kindergarten based upon Florida's Standards for the Preschool Classroom. The standards describe what four year old children should know and be able to do by the end of the VPK experience.
- 3. The VPK Provider Kindergarten Readiness Rate is based on the scores of children who completed VPK (attended at least 70% of the total program) and who were screened upon entry into kindergarten. The screening is administered by the district public schools for all public school kindergarten students. Children who participated in VPK and attended a non-public school for kindergarten are also provided the opportunity to participate in the screening.
- 4. After the readiness rate has been calculated for all providers, the State Board of Education will set the minimum readiness rate so that no more than 15-percent of all VPK providers would fall below the minimum rate.
- 5. A low performing provider is a VPK provider whose readiness rate does not meet the minimum rate set annually by the State Board of Education.

## 3.05 VOLUNTARY PREKINDERGARTEN (VPK) PROVIDER PERFORMANCE METRIC AND DESIGNATION

### **PURPOSE**

The Coalition will comply with Florida Statute 1002.68, F.S., to implement the VPK provider performance metric and designation policies and practices.

### **POLICY**

The Coalition monitors Provider Performance Metrics and Designations that will be used to measure and hold providers accountable for quality instruction that leads to child learning growth and kindergarten readiness, and to prompt and support improvement where necessary.

### **APPLICABILITY**

**VPK Providers** 

### RESPONSIBILTY

Early Learning Programs Department

### **PROCEDURE**

- 1. Each private and public school VPK provider with sufficient data will receive a performance metric designation. Sufficient data exists when a provider has a minimum of four (4) eligible children, as defined in Rule 6M-8.622(2)(b), for inclusion in the providers' metric calculation. The VPK provider performance metric is comprised of three (3) components: Quality score, Achievement score, and the Learning Gains score.
- 2. The Division of Early Learning (DEL) calculates a VPK provider performance metric for each VPK provider. A provider's school-year (540-hour) and summer (300-hour) VPK programs are calculated separately. The VPK performance metric is calculated as the sum of the Quality score, Achievement score, and the Learning Gains score.
- 3. DEL assigns each program a VPK provider performance designation as defined in Rule 6M-8.622(2)(f) within forty-five (45) days after the conclusion of the school-year and summer VPK programs based on the VPK provider performance metric. The department must display each provider's designation in the early learning provider performance profiles, in accordance with Sections 1002.68 and 1002.92(3), F.S. For a provider to have successfully implemented the VPK Program, a provider must achieve a performance designation of one of the following: meets expectations, above expectations, or excellent
- 4. A provider with a performance designation of below expectations or unsatisfactory, fails to meet the required standards and will be placed on probation in accordance with Section 1002.68, F.S.
